# Things You Never Want to Hear During a Disimpaction

1. Is that Jimmy Hoffa?
2. To infinity and beyond.
3. Put that thing in the sharps container.
4. It looks like you're missing one of your press-on nails.
5. I don't know... I'm starting to think we should send this thing to pathology.
6. That meal isn't so happy now.
7. Did you ever see Demi Moore making pots in Ghost?
8. Someone's whistling Lionel Ritchie's "Stuck on You".
9. Maybe we can sell this thing on eBay.
10. Let the games begin!
11. Hand me a Kelly clamp and some gauze.
12. Hey!! I was looking for that!
13. I'm gonna need 40 of suction.
14. It's gonna blow!!
15. Can we do it?! Yes we can!

**GiggleMed.com**

16. I'm pretty sure I took a wrong turn at Albuquerque.
17. I've gotta bad feeling about this.
18. We might need to call that Arsenio Hall consult after all.
19. Call it strange, but I'm sorta cravin' somethin' from the Denny's breakfast menu.
20. Does anyone have a Flowbee?
21. No way! A 10 blade is too risky. Hand me a 9.
22. Now I see why they call 'em buffalo *chips*.
23. OK. Call up to the 7th Floor and ask for "Impaction Jackson".
24. Do you see that plastic knife on that lunch tray?... Yeah, that one. Give it here.
25. While we're down here we might as well get rid of this thing. Hand me your scissors.
